Dear Friends,

On behalf of the Rocky Creek Clay Duster parents and shooters, we thank you for the grant awarded to the team. Your generosity and support is overwhelming and very much appreciated. This grant will assist in the paying of entry fees, purchasing shotgun shells, and apparel for the team. It will also assist in scholarships for those shooters with families that are in a time of need.

We continue the pursuit of our goal of developing a set of personal values and character traits with our team members: sportsmanship, integrity, individual responsibility, self-discipline and personal commitment. In short, we strive to give our youngsters "life skills" to make them successful and positive contributing members of society. Their demonstration of firearm handling and safety was complimented by every shooting facility and Department of Natural Resources representatives we encountered throughout the season. We are extremely proud of their accomplishments.

We're having a great year, averaging 30 shooters from Rocky Creek at each competitive event. We're closing in on the state championship in May at Backwoods Quail Club. The state championship is the qualifying shoot for the Nationals to be held in Sparta, Illinois in July.

Your financial support has and is making a difference in young people's lives. Again, thank you!

Sincerely,
